IIMSAM appoints Dr. M. Mustafa Kizililsoley from the Republic of Turkey as its Facilitator- Operations to counter malnutrition and for the achievement of the United Nations Millennium Development Goals

**[UN Headquarters, New York, 28th November 2007]** IIMSAM appointed Dr. M. Mustafa Kizililsoley as IIMSAM's Facilitator- Operations; and the Soley Institute, Istanbul, Turkey as its Official Working Partner to realise a world free of hunger and malnutrition, and the organisation's endeavour to make Spirulina a key-driver to achieve the same

Dr. Kizililsoley was born in Istanbul, Turkey. He has a MS Degree in Molecular Cell Biology from the University of California Los Angeles (UCLA) and a MD Degree from the School of Medicine, University of Southern California (USC). Dr. Kizililsoley is on the board of various international organisations in the field of medicine and psychology. He is also a member of many Turkish and international aid foundations.

Dr. Kizililsoley has around a dozen scientific publications in Psychiatry, Hypnosis, Learning Systems and various facets of micro-algae among others; and has addressed various international symposiums and congresses. He is also actively involved in contemporary issues that concern global sustainable development. Dr. Kizililsoley is the founder of the Soley Institute in Istanbul, Turkey that is a non-profit organization which works in the field of micro-algal biotechnology.

**Congratulating Dr. Kizililsoley on his appointment, IIMSAM's Director-General H.E. Remigio Maradona stated-** " It is indeed an honour to have Dr. Kizililsoley and the Soley Institute in the IIMSAM family that is committed diligently to establish necessary infrastructures to eradicate malnutrition from across the globe through Spirulina and realise the United Nations Millennium Development Goals.

Dr. Kizililsoley's multi-disciplinary knowledge and wide experience would play a pivotal role in IIMSAM's endeavours especially in the context of local capacity building and sustainable development in the Developing and the Least Developed Countries. On this auspicious occasion, I congratulate Dr. Kizililsoley and seek his active participation in the organisation's initiatives to fulfill its mandate."
