On the occasion of the United Nations Environment Day in Egypt 10th of June 2019. The Special-Adviser-Envoy in Egypt of the Secretary-General of IIMSAM Dr. Amaal Resk. Founder of Ms. Eco International and organizer of this event along with its host AASTMT in Alexandria Egypt. The Secretary-General of IIMSAM

Remigio Maradona expressed its appreciation to the organizers and particular to Dr. Resk for her efforts in organising and to the H.E. Prof. Ismail Abdel Ghafar. President of the Arab Academy for Science, Technology & Maritime Transport (AASTMT.) One of the Specialized Organizations of the League of Arab States. For their support to the IIMSAM Mandate. The IIMSAM continues to count on the President's leadership and commitment to the support of the 2030 UNSDGs Agenda, including through international cooperation under a strategic partnership with the AASTMT and IIMSAM. Hence, ensuring befitting reply to malnutrition per the Sustainable Development Goals of the United Nations (SDGs) in the purview of IIMSAM's Mandate.

Dr. Yasmine Fouad** & President of AASTMT. **H.E. Prof. Ismail Abdel Ghafar**

(Picture below/left shows) **Ms. Suheyn Cipriani** from Peru (**Ms. ECO 2019**) holding her IIMSAM Goodwill Ambassador Certificate along side AASTMT President. **H.E. Prof. Ismail Abdel Ghafar**. Ms. Cipriani will be working directly with Secretary-General **R. Maradona** and his Envoy in Egypt **Dr. Resk**. To raise awareness and mobilized support for the IIMSAM mandate in the fight against the world's number one killer acute malnutrition. As well as shine a spotlight on her essential role as an **IIMSAM Goodwill Ambassador** in helping in achieving the UN Sustainable Development Goals, to protect the planet and make a brighter future for all. As well as her responsibilities as **Ms. ECO 2019** to be a global advocate of 2019s World Environment Day Theme: **"Air Pollution"**. Which kills **seven million people a year**. Her advocacy during her year of Ms. ECO will help spur greater awareness. Air pollution is a global emergency affecting everyone. Thus, everyone needs to do their shared responsibilities in leading the wave and stimulating global action to save millions of lives. During her stay in Egypt Ms. ECO 2019 Ms. Suheyn Cipriani will be visiting some of Egypt's Iconic-Touristic places (**Sharm Elshekh - Dahab and Ain Sokhna.**) **Ms. Cipriani will also be performing environmental activities (Planting-Beach-Clean up among other activities.)** She will depart from Egypt on the 20 June back to Peru.
